TO VIRGINIA CRAFTS

About Us

At Virginia Crafts, we are committed to the art of turning walls into enchanting masterpieces. Established in 2020 by Tshepo Mokoena, nestled in the town of Mokopane, set within the captivating province of Limpopo, South Africa. Our passion for nature's beauty sparked the inception of our mesmerizing wallpaper artwork.

Our Story

As we embarked on our journey of crafting furniture from recycled tree logs, we stumbled upon a hidden gem – the expressive potential of each piece when captured through photographs. In these patterns and textures, we discovered an enchanting language that nature spoke – a language we could bring to life on your walls.

Our Vision

At Virginia Crafts, we envision a world where walls become storytellers, depicting the wonders of nature and invoking a sense of harmony and serenity. Our goal is to offer you artwork that not only enhances your space but also serves as a gateway to a world of tranquility and beauty.
